Info Meeting (January 20, 2015)

Goals

- Coaching and motivation of an agile project team

- Hands-on experience in project management

- Real world application of agile methods (Scrum)

- Handling of challenges in projects

- Handling of difficult team members

Our Philosophy

"Tell me and I will forget.

Show me and I will remember.

Involve me and I will understand.

Step back and I will act."

(Chinese Proverb)

Course Schedule

- Each coach takes the role of a co-projectleader
of one development team

- All coaches meet weekly to discuss the status, current impediments
and future tasks of their project
