

# Seminar / Praktikum

# Advanced Project Management

Info Meeting (July 8, 2015)

# Goals

- Coaching and motivation of an agile project team
- Hands-on experience in project management
- Real world application of agile methods (Scrum)
- Handling of challenges in projects
- Handling of difficult team members

# Our Philosophy

“Tell me and I will forget.  
Show me and I will remember.  
Involve me and I will understand.  
Step back and I will act.”

(Chinese Proverb)

# Course Schedule

- Each coach takes the role of a co-projectleader of one development team
- All coaches meet weekly to discuss the status, current impediments and future tasks of their project
- A coach can additionally lead one cross project team, e.g.
  - Release Management
  - Architecture
  - Modeling
